

Winter 2009

UPDATE

WWW.7X24NW.ORG

Mission Statement

The 7x24 Exchange Northwest Chapter's mission is to provide an open educational forum dedicated to the continuous improvement and increased awareness of data center reliability by focusing on the key disciplines of design, construction, maintenance, security and management with the goal of obtaining continuous data center operations.

Chapter News

On Line Membership Payment Now Available!

The 7x24 Exchange Northwest Chapter is pleased to announce that you can now pay for your membership dues on line. Go to www.7x24nw.org/payments to select either a corporate or individual membership. You will be taken to a secure PayPal site to process your payment. Major credit cards are accepted.

Membership Invoices to be sent Soon

The Chapter will be sending membership invoices for the 2009 calendar year. As always, you can send in your check or now you can use the on line payment system. If you would like to change your membership type or have any questions regarding your membership, please contact Leonard Ruff at Callison, 206-623-4646 or leonard.ruff@callison.com.

Annual Business Meeting & Elections

The Winter Conference will be our Annual Business meeting for 2009, so make sure you attend to hear current chapter news, announcements and developments. This meeting will include elections for all board positions, including President, Vice President, Treasurer, and Secretary.

Inside 7x24 Exchange International

Find out more about what's going on in the world of data center design, construction and operations at the 7x24 Exchange website. New features include a Career Center, an Experts Exchange forum, and a place for industry whitepapers. Get a preview of the upcoming Spring Conference, "Managing Data Centers in Turbulent Times", in Boca Raton, FL, May 31 through June 3. Go to www.7x24exchange.org for all this and more.

Annual Business Meeting & Presentations

7x24 Exchange Northwest Chapter Annual Business Meeting & Elections

Updates on Chapter activities and elections for President, Vice President, Treasurer and Secretary.

Next Generation Data Center

Pat Bodin, Founder and CEO, Firefly Communications
www.fireflycom.net

A look at where the data center is today and where it is going, progressing from operational to transformational to revenue generating and the business relevance of this data center transformation in today's economic situation.

Data Center Development in Tough Times

John Sabey, Senior Vice President, Leasing; Sabey Corporation
www.sabey.com

An examination of options for data center development in challenging economic conditions, including alternate approaches to data center design, construction and operations.

Sneak Peak: Emerging Technology of UltraCapacitors

David Alexander, CEO, Ivus Energy Innovations
www.ivusenergy.com

A look at a promising development in energy storage using rapid recharging UltraCapacitors. Ivus Energy will showcase a small scale demonstration of this technology that could have potential uses in the data center market.

Winter Session Registration

Registering for this Chapter Session is easier than ever! We've now introduced on-line registration on our website. Go to www.7x24nw.org and follow the link from the main page to register. If you want to go directly to the registration page, go to: www.7x24nw.org/eventregister.htm

Membership

The 7x24 Exchange Northwest Chapter encourages membership from all disciplines involved in the design, construction, and operation of critical facilities. Vendors, consultants and users can benefit from the broad range of perspectives and technology awareness our members provide. Our chapter offers two levels of membership, individual and corporate. An individual membership is available for \$50.00 per year and a corporate membership is available for \$200.00 per year. A corporate membership allows you to have as many people in your company be members for one low price.

The easiest way to become a member is to register on line at our website: www.7x24nw.org, look for the Membership page. Fill out the form, click submit, and our membership coordinator will contact you right away. It's that easy!

We invite interested people to attend one session free of charge to see if you like to presentations and the organization. Bring a colleague, a client, or a vendor to the next meeting and introduce them into this dynamic group.
